THE INVEST LAB PORTFOLIO

At Invest Lab, our mission is to serve as the preeminent catalyst for meaningful youth engagement in governance and policy-making worldwide. We are committed to empowering young individuals to become active participants in shaping the decisions that affect their lives and the world around them.

ARINA AMIR

Arina Amir's impactful journey embodies dedication to positive change and social progress, resonating within both Norwegian society and the global community. From her early accomplishments as Norway's youngest author to her influential roles in politics and advocacy, she consistently champions youth empowerment and inclusion.

Her commitment to youth representation led Arina to leadership roles in political organizations, advocating for their needs and fostering inclusivity. Notably, she showcased her leadership as Norway's Development Minister for a day during the "Girls Takeover" event, advocating for gender equality and youth participation in decision-making.

Arina's advocacy extends to human rights, freedom of expression, and social justice, demonstrated through active participation in public debates. She has bridged her political activism with corporate excellence, serving as CEO of BDO Norway during the "Girls Takeover" initiative, gaining a unique understanding of institutional dynamics and intersectoral collaboration.

Beyond her professional feats, Arina remains dedicated to creating positive change through various platforms, including journalism and committee memberships. Her leadership qualities, dedication to human rights, and collaborative problem-solving define her as a true role model, embodying the spirit of youth empowerment and positive societal transformation.

M FAIZ ALAM KHAN

Muhammad Faiz Alam Khan, Co-Founder of The Invest Lab, is a dynamic entrepreneur driven by a passion for driving growth and fostering positive change. With a background in Electrical Engineering and extensive experience in the social impact sector, Muhammad brings a unique blend of technical expertise and strategic vision to his role.

Muhammad's journey towards entrepreneurship began with a solid foundation in Electrical Engineering, equipping him with analytical skills and problem-solving abilities essential for navigating the complexities of the business world. However, his true calling lay in leveraging his technical background to make a meaningful impact on society.

Driven by his passion for social impact, Muhammad ventured into the realm of social entrepreneurship, where he honed his skills in community-building and stakeholder engagement. His work with organizations such as the United Nations and the Hult Prize allowed him to witness firsthand the power of collaboration and inclusivity in driving sustainable change.

As a communication guru, Muhammad possesses exceptional skills in building and nurturing communities, fostering strong relationships with stakeholders of all kinds. His collaborative approach to leadership enables him to effectively manage global teams of varying sizes, harnessing their diverse perspectives to achieve shared business objectives.

ADIL ZUBERI

Adil Zuberi, a dedicated consultant at Invest Lab, stands out as a seasoned specialist in commercial and public law, celebrated for his ability to distill complex arguments into concise submissions and adept witness handling. Beyond his legal acumen, Adil is deeply committed to empowering youth by equipping them with the skills and opportunities to engage in global initiatives.

His journey towards excellence began with stellar academic achievements, culminating in a First Class Honours LLB Law degree from the University of Liverpool. Recognized as one of the top students in his class, Adil's exceptional performance led to the publication of his final year dissertation, ranking second in his year—an accolade reflecting his scholarly prowess.

Furthering his legal education, Adil pursued an LLM BTC at BPP Holborn, where he earned the prestigious 'BPP, BTC Excellence Scholarship' for his outstanding academic accomplishments. Throughout his studies, Adil showcased a keen intellect and a fervent dedication to delving into complex legal issues. Adil's commitment to community service and advocacy for justice is exemplified through his pro-bono work at the Liverpool Law Clinic.

There, he provided invaluable assistance to victims of human trafficking, offering legal advice and representation to challenge negative rulings and secure justice for those in need. His efforts were recognized with the 'Law-Works Student Pro Bono Awards 2019' for 'Best New Pro Bono Activity,' highlighting his unwavering dedication to making a positive impact through his legal expertise.

M HAMDAN UL HAQ CH

Muhammad Hamdan Ul Haq Chaudhary, Director of The Invest Lab, is a distinguished electrical engineer who embodies the fusion of technical expertise, advocacy for youth empowerment, and dedication to human rights and sustainable development. His commitment to utilizing technology for positive change has positioned him as a driving force behind The Invest Lab's mission to provide opportunities and collaborations for young individuals globally.

Beginning with a solid background in electrical engineering, Hamdan's journey expanded beyond conventional roles as he aimed to leverage innovation and entrepreneurship for societal and environmental progress. As Director of The Invest Lab, he has been pivotal in establishing partnerships and initiatives that offer youth avenues for growth and impact. His strategic leadership has made The Invest Lab a beacon of support and empowerment for young changemakers.

Hamdan is not only a catalyst for youth empowerment but also a vocal advocate for human rights and the United Nations Sustainable Development Goals (UNSDGs). He actively participates in international forums, using his platform to raise awareness and advocate for policies that promote social justice, equality, and sustainability on a global scale.

Furthermore, Hamdan oversees the technical aspects of supported startups at The Invest Lab. His expertise in electrical engineering and strategic acumen provide invaluable guidance to budding entrepreneurs, ensuring their ventures are equipped to thrive in today's competitive landscape.

AMAN SHAHID

Aman Shahid is a multifaceted individual deeply committed to catalyzing positive change in both the financial sector and broader society. With a diverse skill set spanning accountancy, investment banking, and entrepreneurship, he brings a unique perspective and expertise to his role as Director of Invest Lab.

Beginning his journey in the financial sector at RSM's professional services, Aman played a crucial role in leading audit projects across various industries. His adept project management skills and keen eye for detail ensured the successful execution of audit assignments, demonstrating his proficiency in identifying and mitigating risks.

Aman's experience extends to mergers and acquisitions, where he contributed to due diligence processes and provided strategic insights to clients. His analytical prowess and meticulous approach have been instrumental in assessing investment opportunities and advising on strategic decisions.

Outside his professional endeavors, Aman is deeply

passionate about the socio-economic development of Pakistan. Through his project "The Pakistan Movement," he aims to provide a comprehensive analysis of the country's economic state and address its social and geopolitical challenges, reflecting his commitment to making a meaningful impact on society.

PREVIOUS MILESTONES

In 2018, our company orchestrated a momentous occasion: the Hult Prize at UET, an event strategically designed to cultivate entrepreneurship and innovation among aspiring talents. Through meticulous planning and coordination, we facilitated a competitive platform where teams showcased their groundbreaking ideas, tackling pressing global challenges with ingenuity and determination.

Following an intense and fruitful competition, the top-performing teams emerged victorious, earning the opportunity to represent Pakistan on an international scale. This pivotal moment marked the beginning of their journey to London, where they converged with global counterparts to present their innovative projects.

Amidst fierce competition and rigorous evaluation, the Pakistani teams exhibited unparalleled creativity and resilience. Their unwavering dedication and relentless pursuit of excellence propelled them to an impressive 8th position worldwide, a remarkable feat that resonated far beyond geographical boundaries.

This significant achievement not only highlights the exceptional talents and problem-solving capabilities of the participating teams but also underscores our company's unwavering commitment to nurturing entrepreneurship and fostering global collaboration. It serves as a poignant reminder of the transformative power of collaboration and the boundless potential inherent in empowering aspiring entrepreneurs to drive positive change on a global scale.

Throughout our journey, Invest Lab has remained steadfast in our focus on the United Nations Sustainable Development Goals (SDGs). These goals serve as our guiding principles, shaping our initiatives and driving our efforts towards creating a more sustainable, equitable, and inclusive world. In conclusion, our company's endeavor to organize the Hult Prize at UET in 2018 and subsequently propel winning teams to global recognition in London stands as a testament to our unwavering dedication to fostering entrepreneurship and innovation. Through this remarkable journey, we have not only provided a platform for aspiring talents to showcase their ingenuity but have also demonstrated our commitment to catalyzing positive change on a global scale. As we continue to champion the spirit of innovation and collaboration, we remain steadfast in our mission to empower future generations of entrepreneurs to drive impactful solutions to the world's most pressing challenges.
